Good morning, Superintendent, Chairman Lujan and Members of the Board

Below, please find an Inspection of Public Records Request submitted by Mr. Wheeler Cowperthwaite, Staff Writer, Rio Grande Sun on June 29, 2016. Accordingly, I have responded to Mr. Cowperthwaite informing him of the documents that the District maintains. I have informed him that we do not maintain emails sent from official, non-official accounts and personal accounts, text messages, memorandums, written communications and any voice mails. Mr. Cowperthwaite responded quoting the IPRA Section stating, "Records used, created, received, maintained or held on behalf of a public body are public records just as if they were maintained by the public body itself. In this regard, if email is used to conduct public business, the email is a public record even though a personal account is used. The person using the personal account is effectively using, creating, receiving, maintain or holding the public record on behalf of the public body".

Therefore, after further examination, I respectfully request that you verify if said records exist for the timeframe stated below. You may respond to me by email by the date of July 20, 2016. If records do exist please provide them to me in hard copy so we may prepare them for inspection. If I may be of any assistance regarding this IPRA request, please feel free to contact me at 505.367.3337.

Attached, please find my response to Mr. Cowperthwaite.
